

**INTRODUCING OUR NEW
SPRAY-UNDER IMMERSION WASHERS**

**GET ALL-AROUND
BETTER CLEANING**

Our new line of spray-under immersion cleaners find grime you can't reach with a brush, for an all-around better clean.

IT'S LIKE COMBINING A JET WASHER WITH AN IMMERSION CLEANER.

DUAL-ACTION SYSTEM COMBINES TRADITIONAL PLATFORM AGITATION WITH UNDERWATER JETS TO CREATE A POWERFUL BATH AGITATION FOR SUPERIOR CLEANING.

Heavy-duty stainless construction for long-lasting durability. Heavy-duty self-cleaning carriage lifts to top for easy loading and unloading of parts. Agitation with spray under immersion cleaning.

Powerful underwater jets enhance the platform-agitation cleaning process.
