

OF ALL THE PRODUCTS YOU CAN MAKE, SELF-COMPLIANT, SELF-DISPOSING WASTE IS NOT ONE OF THEM.

Transportation Equipment Manufacturing facilities create a lot of wonderful things, and some, not so wonderful. Like non-compliant waste and byproducts. Improper disposal of a variety of substances found in your facilities can run you afoul of regulatory oversight. Don't take chances. Trust the environmental professionals at Safety-Kleen. We can handle all your containerized waste, used oil recovery, parts washing machines and service, and liquid vacuum service needs. We can also deliver quality Performance Plus® oil and lubricants, as well as absorbent products and wipes – direct to your shop floor. Talk to a Safety-Kleen representative today.
