

CleanPerc™

THE PERFECT ADDITION TO YOUR SAFETY-KLEEN USED-PERC SERVICE.

Introducing CleanPerc™, the most complete, efficient and cost-effective Perc exchange service available.

Safety-Kleen, the company you rely on for safe, compliant used-Perc disposal, now offers CleanPerc™, our new brand of dry-cleaning (Perchloroethylene) fluid. CleanPerc is a high-quality dry-cleaning solution that you can count on. And now you can bundle it with your Perc recovery service, creating the most hassle-free and cost-effective solution for your Perc management needs.

Your Sales and Service Rep will pick up your old Perc and deliver you fresh solution as part of our new exchange service on the same service call and on one invoice.

What does that mean for you? You get high-quality CleanPerc with fewer hassles and safe, compliant disposal of your old product — all at a price-point that will surprise you. If you dry-clean with Perc, you owe it to your business to find out about CleanPerc today.

Safety-Kleen can provide your business with a better Perc exchange service.
