*AQUEOUS PARTS CLEANING
IS HERE!*

AQ-PRO PLUS™

AQUEOUS MULTI-PURPOSE PARTS WASHER

INTRODUCING Safety-Kleen's AQ-PRO and AQ-PRO PLUS automated combo spray washers. The latest evolution in aqueous parts cleaning.

 **safety-kleen®**
A Clean Harbors Company

MULTI-FUNCTIONALITY IN A COMPACT, POWER-PACKED DESIGN

Safety-Kleen's AQ-PRO series machines are designed with an enhanced set of standard features that will take your aqueous parts cleaning operation to the next level and dramatically improve your cleaning experience. Engineered for the ultimate in utility and performance, these machines include:

- 2-stage cleaning capability: Automated High-Pressure Spray and Manual Cleaning (Optional soak basket available for AQ-PRO PLUS)
- Rotating turntable for maximum spray coverage
- Ergonomic design for ease of loading/unloading parts and manual parts cleaning
- Flow-thru brush for manual parts cleaning
- Stainless Steel construction for increased durability
- Removable trays for improved evaporation control and tank cleaning
- Sprocket driven turntable
- Disc-type Oil Skimmer
- Debris Screen for particulate filtration
- Emergency Shut-Off
- Low Water Level Indicator and Shut-Off
- Jog Button for manually rotating the turntable
- Casters for Mobility (AQ-PRO Only)
