

# LEASING MAKES IT EASY

## DISCOVER THE SAFETY-KLEEN DIFFERENCE

Leasing a parts washer from Safety-Kleen means you get all the benefits of the parts washer plus 60 years of industry-proven parts cleaning technologies and know-how. We'll provide support in the installation, set-up, operation and service of the parts washer you lease from us, so you can start using it right away. Other benefits you'll discover with us include:

### Financial Flexibility

Whether your company is starting or expanding, we can help you avoid fluctuating capital expenses or any complicated purchasing processes.

### Safety & Compliance

Our machines meet all local, state and federal regulations, as well as OSHA and Canadian safety standards.

### Stress-Free Updates

Enjoy the freedom to easily change your equipment and cleaning processes as new regulations or safety protocols are introduced.

### Reliable Service

Our national network of specialists are trained to specifically service, maintain and repair your leased equipment.

### Assured Compatibility

Our solvents and aqueous chemistries are all thoroughly tested with our equipment to ensure compatibility, compliance and optimum cleaning.

### Tech Upgrades

Upgrade your parts washer as business needs change or as new technologies become available.

### Life-of-the-Lease Lifetime Warranty

For as long as you remain on our EAC subscription service program, we will repair or replace your parts washer for free. There's no need to inventory spare parts, incur costly repairs or purchase new equipment when the machine hits end-of-life.
